

## RHINOS ON TRACK

FROM next month, you will be able to track black rhinos on foot in East Africa for the first time when the Saruni Rhino safari camp opens in Northern Kenya. Rangers will use GPS transmitters to help you spot the 11 micro-chipped rhinos in the conservation park. From £511pp per night full-board, flights not included, [sarunisamburu.com](http://sarunisamburu.com).
